

# Emergency and Transitional Housing Program Program Guidelines and Application

November 23 2020

RE: Revision to Fall 2020 Application

Please be advised, the following change has been made:

### **7.3 Probation and Parole Reporting Fee**

In order to compensate ETH Providers for the administrative effort needed to comply with the ETH program, DPS&C will allow an addition of a \$1.00 P&P reporting fee per participant per day added to the approved per diem amount. The fee will be auto-calculated on the ETH invoice. However, the total invoice amount, including the reporting fee, must be lower than \$5,000 per month in order to be processed for payment (See 7.4 Maximum Compensation).
